Personal technology at school: During events such as Talent Quest preparation, parents may give permission for students to bring a phone/iPad/mp3 player to school:

- It will be brought into the classroom every morning and put on the teacher's desk or wherever the teacher has allocated a space
- It will be switched off during the day and collected at the end of the day by the student
- All of the above user agreement rules also apply to my phone
- The phones/iPads/mp3 players may be taken out with permission during recess and lunch.
- The school takes no responsibility for any damage or loss of phones/iPads/mp3 players on school property

I know that I can only use technology if I am responsible.
